VOLUME XI — SANTA ANA, CALIFORNIA, FRIDAY, FEBRUARY 22, 1935 — Number 7

Work Is Launched On $1,000 Landscaping Project

LUCIAN WILSON IS APPOINTED HEAD OF FIESTA

Lucian Wilson was virtually assured appointment as Fiesta chairman, El Don was reliably informed today. Executive Board approval is expected this afternoon.

Wilson was named over five other candidates recommended by T. H. Glenn, it was reported. He is a Bachelor and member of Beta Gamma, extra curricular honor society. He directed the construction committee of last year's Fiesta.

Appointment of the Fiesta chairman by the Board this afternoon will definitely allay recently circulated rumors hinting possible abandonment of the spring holiday.

Wilson's first administrative act, if the Board confirms his appointment this afternoon, will be that of naming his sub-committee heads.

May 10 is the date set for the annual spring festival combined with a high school day.

Local Intructor Is Revealed As Co-Author

Harry P. Jackson, commerce instructor at Santa Ana Junior college and high school, as co-author with Professor Benjamin R. Haynes of the University of Southern California, has written a book titled "A History of Business Education in the United States," it was revealed today.

The book was originally written as Mr. Jackson's master's thesis, and later revised and shortened by Professor Haynes. It is now 160 pages in length.

At present, it is out in monographic form only. It is being published by the South Western Publishing company. It originally contained approximately 400 pages.

Bachelors' Ball Has Atendance Of 180 Guests

More than 180 students and guests attended the tenth annual Bachelors' ball, held in the Galeria of the Mission Inn last week Max Cochran's 11-piece orchestra, accompanied by a male vocalist and a women's trio, furnished the music for dancing and entertained during intermission with special numbers.

At the Bachelors' dinner preceding the dance, each of the guests was presented with a silver bracelet on which was engraved the initials of the Brotherhood of Bachelors.

A letter from Bud Boyle, former Bachelor member now residing in San Francisco, was read by the president, Glenn Bishop. Several of the Bachelor alumni were present.

James Utt To Talk At C. P. A.

James Utt, assemblyman for this district, will speak Monday night before the College Patron's Association in room 110 of College hall concerning school legislation pending in Sacramento.

Students and parents are urged to attend the meeting.

Dean Asks Cooperation In Keeping Bulletin Board Neat

Cooperation in keeping the bulletin board in the main hall clean and neat, was asked today by Dean McKee Fisk.

Club members are urged to post only fresh notices and remove them when they are no longer needed.

"As it is now, the board does not make a favorable impression on visitors," said Dean Fisk. Notices concerning books for sale should be posted on the bulletin board in the east basement," he further stated.

Walter Bandick Is Named Assistant Editor

With the appointment of Walter Bandick as assistant editor to Jane Crawford, editor-in-chief for this semester, El Don staff was completed, it was learned today. The staff was approved by the college executive board last week.

The other staff positions will be the same as last semester with Kenneth Hunt as feature editor; Marvin Spicer, sports editor; and John Rabe, advertising manager.

Bandick was editor of the yearbook and school paper at Orange union high school last year.

Rev. J. A. Stevenson To Talk Wednesday

Rev. J. A. Stevenson, former pastor of the Presbyterian church of Santa Ana, and at present educational secretary for the Western Presbyterian Conference will speak at an assembly in the Baptist church Wednesday at 11 o'clock. He was formerly president of Occidental college.

Reverend Stevenson is famous for his humorous anecdotes.

Fourth period classes will be omitted.

TAVERN POST IS SENT TO PRINTERS

Now being printed under the direction of Thomas E. Williams, the Tavern Post is scheduled to be issued soon, according to the statement made today by Phyllis Hannah, editor.

Art illustrations for the publication are being made under the supervision of Albert Clark. All business is being taken care of by Rodney Engel, business manager.

Jaysee Forensic Team Leaves For Stockton Meet Wednesday

Santa Ana jaysee will be represented at the forensic tournament by the three debaters pictured above. Reading from left to right are Claude Owens, Harold Woodard and Robert Tannenbaum.

* * * * * *

The Santa Ana junior college forensic representatives will leave Wednesday for the College of the Pacific at Stockton where they are entered in the annual Invitational Debate and Oratorical tournament to be held on the northern campus Feb. 28, March 1 and 2.

Robert Tannenbaum and Claude Owens will represent Santa Ana in the debate division, while Harold Woodard has been entered in the oratorical contest.

According to word received from the College of the Pacific this week, more than 30 teams from six western states have been entered in the 1935 tournament. This will be the first long trip ever taken by Santa Ana forensic students, and will be financed by the college forensic fund.

Teams Register Thursday

Teams will register at the College of the Pacific Thursday morning, and debates will be held throughout Thursday, Friday, and Saturday morning. Finals will be held Saturday afternoon.

Tannenbaum and Owens have prepared to debate on both affirmative, and negative on the tournament question which is: "Resolved, that the nations should agree to prevent the international shipment of arms and munitions."

Woodard will deliver an original oration that he has prepared for the tournament. The debaters, traveling north by auto, will be accompanied by their coach, John H. McCoy.

Schools Competing

Santa Ana will compete with the following junior colleges: Long Beach, Glendale, San Bernardino, Pasadena, Bakersfield, and Modesto; and the following colleges: Los Angeles Pacific, Weber in Ogden, Utah, Fresno State, the College of the Pacific and Redlands university.

Anouncement Of Prizes For Poetry Is Made By Glenn

Announcement of the prizes for the best poetry to be published in First the Blade was made today by T. H. Glenn, faculty adviser for the publication.

A prize of $15 is offered for the best poem, $10 for the second best poem, $5 for the best sonnet, and $5 for the best free verse.

Another prize of $5 has been offered by Miss Rachel Campbell, a student at the San Diego Teachers' college and a former editor of First the Blade.

Reed Sutherland, business manager, reports that over 50 orders for the book have already been received.

Board To Act Today On Committee Recommendations

Referring to committees three measures on which it will act today, the new College executive board met last week for its second time this semester.

A committee composed of Marian Hawk, Jane Crawford, and Vernon Mansur was appointed to investigate the proposed charter of the International Relations club and the football sweater committee will report today on the plausibility of sweaters for gridiron lettermen.

The El Don staff for this semester was presented by the editor Jane Crawford, and approved by the Board.

JAYSEE ENROLLMENT TOTALS 625

With a few new students registering every week, junior college enrollment has now reached a total of 625, according to Miss Mabel G. Whiting, registrar.

This does not quite equal last semester's total, which was 658 at the end of the semester.

These figures include special students and post graduates.

PORTER HEADS PROJECT; USES F.E.R.A. LABOR

With ground already plowed south of the College hall and shrubs being planted around its foundations this week the $1000 landscaping project for the junior college has been launched. The work will be hurried as much as possible in order that the college grounds may be ready for the tourists who will travel through Santa Ana this summer to the San Diego exhibition.

Shrubs are being set around the College hall, north and west of the building, and around the foundations of the two lounges, under the direction of W. E. Porter, in charge of the project.

Outside Help Necessary

F. E. R. A. work is being used as much as possible, but according to Mr. Porter it will be necessary to call upon other help because of the varied student hours.

The original plans of the prize drawing by Kenneth Beard in a recent contest will be used with a few alterations by the contest committee, headed by J. Russell Bruff,

(Continued on page 4)

Local A. A. E. Issues Invitations To Annual Show

That invitations to the fourth annual show of the A. A. E. to several Orange county high schools, was revealed today by George Robertson, head of the show.

Robertson further stated that the plans for the program are rapidly developing. Several teams of two men each are working on experiments for the show.

The final choice of the experiments to be used will be made at a rehearsal in the physics laboratory in CH 10 on the afternoon of March 1.

Henderson Speaker At National Convention

Frank A. Henderson, superintendent of schools, left last Friday for Atlantic City where he will attend the National Education convention.

Mr. Henderson is to be one of the speakers at the meeting. He is expected to return to Santa Ana about March 6.

Plans for the new Santa Ana high school buildings to be erected soon will be exhibited at the Atlantic City conclave, it was revealed.

Local Student Injured By Bicycle Fall

Elizabeth Sturtevant, freshman student here, who was seriously injured in an accident early this week has been removed from St. Joseph's hospital to her home, it was revealed today.

Miss Sturtevant suffered a broken collar bone, broken nose, and severe cuts when she was thrown from a bicycle while returning from Irvine park Sunday.

Marguerite Hay who broke her leg when she fell on slippery sidewalk after a Las Gitanas meeting several weeks ago has improved greatly. She will not return to school until next September.

Results Of Advertising Survey On Don Dinette Revealed By Miss Dorothy Decker, Instructor

* * * * * * * * *

Results of the survey on the Don Dinette made by members of the advanced advertising class were revealed today by Miss Dorothy Decker, instructor. Figures include answers from 70 students who are supposed to be representative of the student body.

According to the survey, more women eat at the Dinette than men, with about the same number eating there five times a week as once. Of those who do not patronize it, the largest number bring their lunch, and the next largest group go home. Of those who do patronize it, the majority eat lunch, although a few merely purchase candy.

Students pay from 15 to 35 cents for their lunch, with most men spending 25 cents and most women only 15 cents.

General opinion is that the food is good and prices are reasonable. More women complain about the service than men. The total number of those who say that the service is good and those who complain is about the same.

The most popular foods in the Dinette in order are: meat substitutes, ice cream, sandwiches, vegetables, pie, and salads. Suggestions for new foods to be introduced

Football Sweaters

The suave, unruffled attitude with which Executive Board worthise regard the football sweater denouement belies their real belligerantly mercenary feeling. Actually, the indulgence of the football men themselves is equalled, the Board being almost solidly in favor of chucking the issue in favor of more worthy projects.

Two weeks ago this writer predicted that President Robertson's student tribunal would either initiate another bill to annul the first, or dock spring sports for the damages. Today that prediction is a fact.

If plans of the Football Sweater committee materialize, Associated Student voters will be asked to approve a new measure, framed by the committee, authorizing awarding sweaters to two-year lettermen only. The new bill will contain a special clause intended to nullify the original initiative placed on the Jan. 2 student plebiscite by the lettermen themselves.

Alternative

Should the Board-framed measure fail to meet the approval of the students, you can look for a precedent-smashing move by the committee in the form of a proposal to allot only $3.50 toward sweaters.

The germ of this bellicose bonmot is not actually known, but can probably be laid at the feet of the football boys, who, through their own short-sightedness subjected themselves to the parsimony of the Board.

Wording of the first—the writer uses "first" because he is two—initiative failed to specify a minimum figure to be expended. Board liberality was unjustly presumed by stating that "not more than 7.50" be spent for each sweater.

Legally the Board is not obligated to appropriate more than one cent for each garment.

Reason

A recent development has given the Board even more reason for justifying the $3.50 appropriation. A committee of football players sitting in on the first session of the executive body reported that the lettermen had discharged the $7.50 sweaters, and now wanted $10 garments. The players would pay the extra stipend personally, they said.

With this in mind, executors apparently concluded that if the players were willing to shoulder part of the expense of one sweater they could likewise for the other. Spring sports will probably be socked for the expenditure, anyway.

Recent statistics show that attendance and gate receipts at Columbia university (New York City) grid games this year were almost double those of last season.

Say, "I saw it in El Don."

Today In History

February 22, 1935

1732—George Washington was born in Westmoreland County, Virginia. He had little actual schooling, but he was a practical surveyor. Positions held included Commander-in-Chief of the Continental forces, President of the Constitutional Convention of 1781 and first President of the United States.

1855—Farmer's high school chartered by Pennsylvania state legislature. Name later changed to The Pennsylvania State college. Opened for instruction in February, 1859. Has a yearly enrollment of approximately 4,000.

1863—Leland Stanford, then governor of California, breaks ground for Central Pacific Railroad at Sacremento, Calif. In memory of a deceased son, Leland Stanford Jr., he gave $20,000,000 for the founding of Leland Stanford university at Palo Alto, Calif.

1909—Theta Alpha, social fraternity, organized at Syracuse university. Now has chapters in Syracuse, Cornell, University of Illinois, and University of Southern California, with a membership of approximately 600.

1922—Alpha Eta Phi, social fraternity, founded by a group of college men in New York City. Is an outgrowth of the Collegiate club, a society of New York college men who had been life-long friends and desired to continue through college days and thereafter.

Here 'n There In Radio

By Jack McCarty

Did you know that—

Lennie Hayton, pianist, composer, arranger of modern music, and director of the Ipana Troubadors on Town Hall is but 27 years old. He has been directing orchestras since he was a boy of 15. Incidentally, Lennie's piano arrangement of "Haunting Me" is one of the finest musical arrangements for the solo piano we have ever heard.

Fred Allen's amateurs are really amateurs. They are selected in this way. The amateur applies for a spot on the program his name is placed on the list and, a week before the program is to go on, names are drawn from the hat. Performers are duly notified and, Allen has no idea ahead of time as to just what he is going to get. Allen must be complimented for his impromptu wit in introducing the acts. It takes genius to be able to handle such a situation.

Another fine matinee program is now on the air and comes to Pacific Coast listeners from 12:30 to 1:30 p. m. each Tues. via CBS and KHJ. It features the Do-Re-Mio trio, the Eaton Boys, Freddie Rich and his orchestra, and star guest artists.

Kate Smith is conducting an amateur talent contest from coast to coast.

Results Of Dinette Survey Revealed

(Continued from page 1)

include steaks, donuts, toasted sandwiches, Spanish rice, jam with muffins, chicken turnovers, fruit juice, chow mein, and tamales. The last three were suggested several times.

Things students like most about the Don Dinette are: reasonable prices, clean, good food, a student center, and its convenient location.

Complaints made by students were: not enough room, not enough help, too hard to get served. The general opinion is that the service is too slow.

Suggestions on how to improve the Dinette are: make service better, decorate the interior, serve a full 20 cent lunch, serve water, make it larger, put benches outside, change the name, make it lighter inside, enlarge it to a student center.

CRYPTOGRAPHS by Collegiate Digest

Associated Collegiate Press

If you are hunting for perfect dilemnas, you'll find that you'll have to search no more after you have solved this week's cyptograph. Poets often get into difficulties, we'll admit, but you won't find them pulling a real boner like the one described here in code very often.

You were correct when you had the following as your answer to last week's crytograph:

Legionaires guarding Sahara outpost sight beautiful Touareg. Fatuous liaison lieutenant quails.

Now get going on this week's stickler:

ABCDEAFGCH IJCG KJLML KJHCN OFNGCEIACKC, GPCB, FMFN! KFBBJG HCKAIPCE NFOC OJEBABR FSGCE.

FAVORITE MUSICAL SELECTION—Rochmaninoff's Prelude in C minor.
FAVORITE SPORT—Ice hockey.
FAVORITE COLOR—Blue.
THE GREATEST THRILL OF MY LIFE—When I first saw a palm tree.
CHILDHOOD HOBBY — Digging caves.
FAVORITE BOOK—"A Tale of Two Cities", Dickens.

EXCHANGES

By Armand Hanson

Santa Monica jaysee had a "Sneak appearance" at their regular assembly last week featuring Little Shirley Temple, brilliant star of "Bright Eyes" and other attractions. Shirley sang in her own inimitable manner, the song she made popular, "The Good Ship Lollypop" and then skipped off the stage behind a bouquet of flowers presented to her by the jaysee. Her appearance there was made possible through the insistent efforts of her brother Jack, who is a student at Sa Mo Jac. Mrs. Temple, proud mother of Shirley, assure the audience that this proceedure would not be repeated at other schools.

* * *

A Harvard chemistry professor recently bet that he could eat his shirt and, believe it or not, he won. He disolved the garment in acid, nuetralized the acid with a base, filtered out the precipitated material, spread it on bread and ate it.

* * *

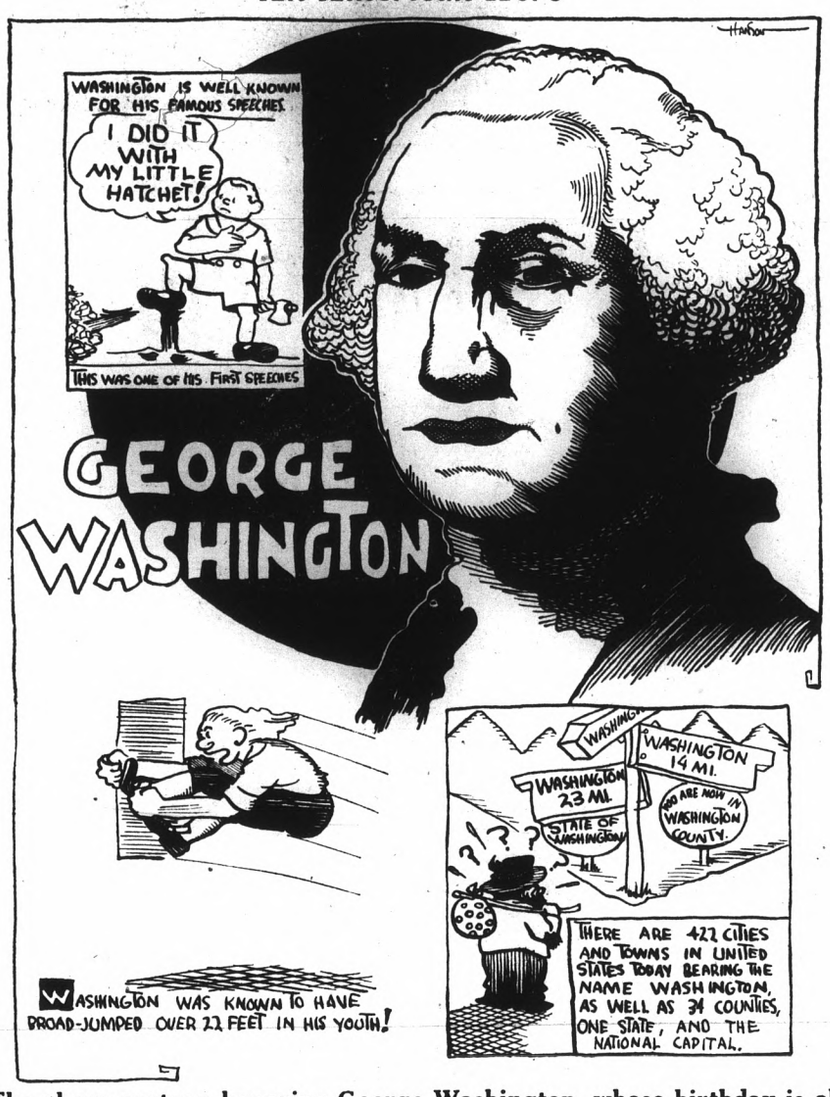

Added "scoop" from the Anoranco:

Mary had a little lamb
You've heard of it before
And then she passed her plate again
And had a little more.
Tsk, tsk—I can't get over it!

An American Hero

The above cartoon honoring George Washington, whose birthday is observed today, was drawn for this issue of El Don by Armand Hanson, member of the junior college journalism class. Hanson also drew the special cartoon which appeared in the Tenth Anniversary edition of the college newspaper last December.

YOU CAN PASS IF—

If you want to pass your examinations these days, you don't study, you just have a good time and relax your mind—that is if you take the advice that editors of college newspapers are passing out to their readers.

Here are just a few of the things you'll do the night before, if you follow the advice given in numerous editorials reviewed recently:

Attend a movie.
Get a vigorous head massage.
Go to bed early.
Take a cold shower.

But some of these aren't so good, according to the Michigan Daily, University of Michigan undergraduate newspaper. First of all, a head massage would probably knock out what little knowledge a person did have.

"Cramming"—the process of learning as much as possible in as short time as possible—is recognized by all as a necessary evil, but students are warned against it. The The Brown and White, Lehigh university paper, feels that "most students find cramming before examinations beneficial, and some students absolutely must cram in order to pass a course."

The Amherst Student, of Amherst college, favors a short reading period immediately before examinations. "A single week, rather than the longer periods maintained elsewhere, would be desirable, inasmuch as its chief object would be avoidance of the near-coincidence of examinations and classes now existing. Institution of a brief reading period free for study and correlation of course material should result in a marked improvement in examination results," an Amherst editorial states.

Spice Of Sport

By Marvin Spicer

Big Ten conference, the center of collegiate basketball gravity, presents one for the book in the case of Bill Haarlow of the Chicago Maroons. Although the quint from the Windy City rests in last place in Big Ten standings, Haarlow, an uncanny sharpshooting forward, leads the league in scoring with 112 points. He enjoys a substantial lead over Barko, the Iowa ace, who ranks second with 82 digits.

The Maroons have only scored a total number of 259 points, thus the artist Haarlow lacks only 17 points of having accounted for half of his team's counters. An average of over 12 digits a game, for a member of a team that has received nine successive setbacks, in the fastest college conference in the country, truly that is a phenomenal record!

* * *

Gopher Charity Shot Champ

There are all types of champions in these United States. Sauk Center, Minn., a town that sounds as if it should be claimant to the pie-eating laurels, has an entrant into the sacred realm of titlists by the name of Wilfred Hetzel, who claims the world's free-throwing championship.

The wizard, who has performed before 68,000 cage fans in 24 cities, gives a varied performance, shooting blind-folded, one-handed, over his head, and in numerous other spectacular ways. He has made runs of 53 straight foul shots while standing on one foot, 16 straight with both eyes shut, and 26 straight with one hand.

Hetzel has made 192 gift shots out of 200, 127 out of 129, 95 out of 100 standing on left only, and 83 out of 100 while blindfolded.

* * *

Holman Breaks Record

If the 10 seconds that Rudy Holman clipped from his school two-mile record are any criterion, the conference mark is in danger of being toppled this year. If Holman, without the stiffest type of competition, can do a 10:12 in the distance event, he should approach 10 minutes flat later in the season when he runs against the ace two-milers of the conference.

Bengals, Hornets Tie In Top Place

Santa Ana jaysee maintained its record of never having finished last in a major sport in the Eastern junior college conference by defeating San Berdoo here Friday night. The Dons ended the season with two wins and four losses for a percentage rating of .333. It is still possible that Santa Ana can go into a three way tie for fourth place if Fullerton defeats San Berdoo, Riverside defeats Pomona, and Citrus defeats Chaffey in the final round this week end.

Fullerton and Riverside are overwhelming favorites in their games and, barring an upset, will play a two-out-of-three series for the championship.

Baseball Season To Open In Jaysee

Beatty Heads Nine In Spring Eastern Division Struggle

Three Lettermen Return From Last Year

By Rocky Spicer

That annual bugaboo—the proposed dropping of baseball from the jaysee sports calendar—has apparently lost its yearly battle. Baseball suits were issued Wednesday to aspiring diamondmen.

Seasonly the moguls of the school put their heads together and in their knowing way indicate that the ugly duckling of Don athletics must go. Last year the sport was faced with an unusually dark outlook because no coach was available to mentor the nine. Finally the club was organized with a student as player-coach.

This year there is no such disconcernting situation confronting the sport as Blanchard Beatty, head basketball coach, has indicated that he is willing to take over the reigns.

Three Lettermen Return

With three returning lettermen and a host of former prep stars available, prospects for a winning team are favorable. Veterans answering the call are Ben Slavin, Clyde Birdsong, Louis Madden, all regulars, and Bob Brown, a reserve. Harold Youel, a regular last year until an arm injury forced him to drop out, is expected to report soon.

Santa Ana Mecca Of Distance Men

With the enrollment of Joe Frias, miler from New Mexico, and the return of Charles Malbon to jaysee track wars, on paper it appears that Santa Ana will have the strongest distance team in the Eastern conference.

Rudy Holman has already demonstrated his prowess this season by breaking his school two-mile record with a 10:12 run. With Frias teaming with Holman, Malbon, and Al Clark, petite distance letterman from Orange, the Dons are apparently strongest in the distance races.

Coaches Threaten To Stop Handball

Unless some definite action is soon taken by those who have signed to play, the singles handball tourney will be junked, it was learned today from the physical education department that is sponsoring the affair.

During the week Schwarm is the only man to get his first round match out of the way. He defeated Bob Brown to place himself in the quarter-final bracket with Graupensperger and Busch.

Sophomore Oval Team Wins Over Freshmen Squad

Five sophomore iron-men led by Capt. Lucian Wilson defeated Major Anderson's freshmen 74-47 in the annual interclass track struggle at Poly field by scoring 62½ points of their team total of 74 points.

Rudy Holman, conference two-mile champ contributed the outstanding performance of the meet by cracking the school record in the two mile. Holman was under orders to take it easy because of a "cold" but proceeded to run 10:12.8s, breaking the old mark of 10:21 which he set last year.

Other good marks were Ray Sides, 21 feet 4 inches in the broad jump, Kenneth Vandruff's 9.1s in the 70 yd. low hurdles, Capt. Lucian Wilson's 12.8s in the 120 lows, Ray Craft's 2:8s half mile, Rudy Holman's 4:49 mile, Walt Gunther's 116ft. 6in. in the discus, and the frosh relay team of Boyd, Anderson, Pottorf ,and Koepsel, in running 46s. flat for the 440 relay.

Initial Swimming Practice Nets 11

With 11 men turning out the first night, Santa Ana junior college looks forward to what should be a good acquatic season by virtue of the enrollment of several former prep champions in September.

Foremost of these is Johnny Henry, who held more records in Kansas than a Fifth avenue dowager has diamonds. Bill Dunstan was the county 220 prep crown holder last year, while Nolan Hasson, another Huntington Beach prodigy, holds the county 440 record. Tustin's Jack Runnels was king of the 100 yd. back-stroke

Gaylord Colle, forth in the Kansas state 220 last season, and Art Sperry, diminutive spring-board expert from Pasadena, also reported as did Fred Erdhaus, John Henderson, John McFarlane, Frank Lansdown, and Harris Warren.

Definite meets have been arranged with Fullerton, Long Beach, and Riverside. Tentative negotiations are under way for a meet with the Compton jaysee Tartars later in the spring. Other swim fests are being scheduled for the natators.

Padres End Season By Beating Berdoo Basketeers 36-24

Smashing their inland opponents in their last league encounter, Coach Blanchard Beatty's Don basketeers Friday ended their conference hoop season with a win over the San Bernardino quintet by a 36-24 tally.

Held 10-all at the half, the local hardwood experts displayed a dazzling offense in the first minutes of the second canto that ran the score up to 22-14. With four minutes to go the tally was 31-17 and the Dons rested on their previous play.

The inland offense failed to click, with only one man, Lisle Bressin, South Dakota import, making more than two points. Bressin rang the hoop for 15 chalkers.

Tom Lacy also made 15 points while Erdhaus and Schwarm made 11 and 7 respectively.

Ping Pong Tourney Next On Calendar

The second semester El Don ping pong tournament will begin as soon as pairings are completed, it was announced today. The competition promises to be greater than last semesters tourney because beginners were requested not to enter.

Lewis Wetherell, present champion, heads a list of candidates which includes Rocky Spicer, runner up in last semester's tourney, Hammil, Foster, Owings, Carmen, Nissley, Styring, Pegues, Downey, Ishii, Sutherland, and Newcom.

El Don is sponsoring the tournament and will post the parings on the bulletin board sometime next week. Players are requested to arrange to play their matches according to schedule.

Say, "I saw it in El Don."

Cook Trackmen To Compete In So. Cal. Relays

Don Shuttle Relay Team Appears Strong

By Duncan Clark

Shoving off for San Diego tomorrow morning 15 of Coach Bill Cook's trackmen head southward for the border city to take part in the fifth annual Southern California College Relays.

Cook plans to enter three relay events, novice four man mile, shuttle relay, and the long distance medley event.

The Dons long disance medley team looks to have the best chance tomorrow, with Ray Cokeley taking care of the 440, Ray Craft the 880, either Malbon or Frias the 1320, and Rudy Holman running anchor in the mile. These boys are all capable of good time at their respective distances.

Shuttle Relay Team Strong

The shuttle relay event with Capt. Lucian Wilson and Kenneth Vandruff, topping the high barriers, "Jig" Kroener, and Frank Boyd skimming the lows, looks like a strong team on paper. Cook will pick the four man mile team from Ray Cokeley, Major Anderson, Ray Craft, Frank Boyd, and Ray Sides.

Vernon Koepsel, frosh star will enter his favorite event tomorrow competing in the novice 100yd, dash. Al Parr and Ray Sides are listed for the broad jump, Loren Lukens, pole vault, Kroener and Harold Pottorf in the javelin.

BULLETIN

Chances for a local track championship received a severe jolt today when "Chuck" Malbon withdrew from school.

Buccaneers Set March 18 As Date For Inter-Club Stag

March 18 has been set as the tentative date for the Buccaneers Inter-club stag, it was announced today by Tom Kistinger, Sailor Prexy. It was hoped that the event could be held this month but difficulties in obtaining the high school gym mandated the delay in date.

Events for the meet have been selected. They will consist of boxing and wrestling in the 125, 140, and 160 pound classes, pull-ups, rope-climbing, basketball throw for accuracy, sack race, balloon breaking and nail-driving. The final event will be the tug-o-war between the clubs.

Two points will be given the winner of each event and two points will be given the two finalists in the boxing and wrestling.

"Rocky" Spicer will be in charge of the affair with John Rabe assisting in the handling of advertising.

Northcross Home Scene Of A. W. S. Tea

More than 60 new students and guests attended the tea given for them this week by the A. W. S. in the home of Mrs. Eleanor Northcross, dean of women.

Music was furnished throughout the afternoon by Helen Wilkie, who played various selections on the piano.

A. W. S. officers who aided Mrs. Northcross in receiving were Ruth Warner, president; Roberta Tuthill, vice-president; and Mary Lou McFarland, secretary-treasurer.

Suzanne Clark, president of Las Gitanas and Virginia Le Harper, president of the Moavs, poured tea during the afternoon.

Table decorations were carried out in yellow. Lucile Griset, Dorothy Wilson, and Ruth Kilbourne assisted during the afternoon.

Bachelors Hold Round Table Discussion

Meeting at the home of Vernon Koepsel, the Bachelors played host to three rushees and had an informal round table discussion of all members present.

During the first part of the meeting rushees Kenneth Nissley, Woodrow Payne, and Albert Pickhardt were introduced and told of the club's past history.

In the business meeting Glenn Bishop, grand exalted of the club, introduced a new plan of pledging for the clubs approval. A final check up of the Bachelor's Ball was made. It was revealed that the club broke even after all expenses were paid.

Following the business meeting the members held a round table discussion in which each member was offered constructive criticism.

Erbentraut Elected To Lion Presidency

Gene Erbentraut was elected president of the Junior Lions at a meeting held this week. Jack MacFarlane was elected vice-president.

Other officers that were elected before the last meeting are: Dale Smith, secretary; Stanley Wilson, treasurer; Charles Roemer, sergeant-at-arms; Russell Abbey, keeper of the charter; John Henry and Charles Kiser, Junior Lion board members.

Meninas Snow Party Scheduled Tomorrow

Las Meninas members will hold their acceptance party for pledges and rushees tomorrow at the Mt. Baldy cabin of Miss Dorothy Decker, President Jane Crawford, revealed today. The party is being held as a follow-up for the rush party held by the organization Monday night.

Committees for the acceptance party are: Roberta Tuthill, aided by Helen Wilke and Ellen Frazee in providing food for the excursion; Martha Tuthill, Eleanor Leihy, and Blanche Illingsworth, in charge of transportation; and Mary Wallace, who will plan and make the invitations.

Committees for the rush party were comprised of Martha Tuthill, Helen Wilkie, and Mary Wallace in charge of food, transportation and invitations respectively. They were assisted by Rosalie Smith, Smith, Eleanor Leihy, Ellen Frazee, Blanche Illingsworth, Beatrice Granas, and Eloise Schrier.

The party was a retrogressive dinner, supplimented by moving pictures shown backward in the spirit of the occasion.

Mrs. Flint Chosen As Y. W. C. A. Speaker

Mrs. Calvin C. Flint, wife of Calvin C. Flint, social science instructor, will speak on Turkey before members of the Y. W. C. A. at a meeting to be held Feb. 25 in the Women's lounge.

A dinner party in the Don Dinette will precede the regular business meeting.

Membership cards have been printed and are available to students who desire to become members of the organization, according to Doris Rockwell.

Moavs Entertain Ten Prospective Pledges

Moavs entertained ten prospective members at a formal party held this week at the home of Virginia Lee Harper, Orange.

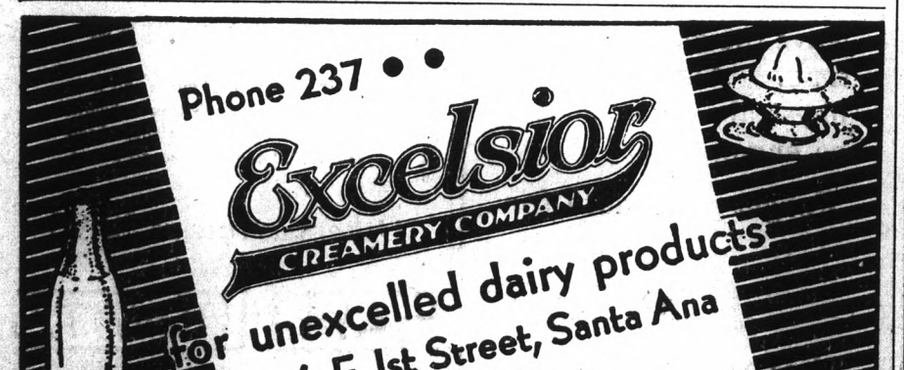

A George Washington motif was carried out. Corsages were presented the rushees as they were received by club members.

Bunco and bridge were the main diversions of the evening with honors going to Miss Mary Swass, club adviser and Nadine Johnson.

W. A. A. Members Named For Occidental Meet

Tomorrow 10 junior college girls selected through the W. A. A. will represent Santa Ana at a sports meet of college women at Occidental college.

The girls who will go are Lucille Griset and Frances Tibbetts, swimming; Mary Wallace and Marjorie Lauderbach, tennis; Betty Stafford, Mary Lou McFarland, Eunice Spicer, and Ruth Kilbourne, Doris Rockwell, and Yetive Blank for team sports.

Carnival Tonight At S. A. High School

An Athletic Carnival to which all junior college students are invited will be held in the high school gymnasium tonight at 7:30. The event is being sponsored by three service clubs and the wrestling team of the Santa Ana high school.

The program of the carnival will include some blade and Japanese fencing, fancy tumbling, tap and athletic dancing, boxing, wrestling, and swimming and diving. There is also a basketball scrimmage and some surprise features scheduled.

Benefits obtained from the carnival will be given to the high school and junior college wrestling teams for equipment and trips, it was learned. The prices for the event will be taken at the gate, and are 15 cents per person, and 25 cents per couple.

Los Gauchos Plan March Party

That the Gauchos will hold a party on March 1, at the Costa Mesa club house, was decided at their special business meeting Wednesday night. Plans for the music have not been completed.

New pledges to be asked to the formal initiation were discussed.

A committee headed by Harris Warren was appointed to start plans on the annual spring dance, which is sponsored by the Gauchos a short time before spring vacation.

Gitanas Rushees Given Formal Dinner

Approximately 11 rushees were guests of Las Gitanas this week at a formal dinner party held at the home of Mrs. Sally Coe Mueller, Orange.

Corsages in club colors were presented each guest. Cards and dancing furnished entertainment during the evening. Mrs. Mueller, who sings over the radio, sang several vocal selections.

The committee in charge included Dorothy Coe, Audrey MacDonald, Naomi Wheeler, and Joy Lee Henderson.

Mrs. Mueller is the sister of Dorothy Coe, Gitanas member.

Alpha Rho Tau Plans Semester Project

Plans for a semester project which will benefit the entire student body were discussed at the regular meeting of Alpha Rho Tau held Feb. 14 in the women's lounge. No definite program was decided upon, but a committee of Eloise Shrier, Dale Smith, Bill Beeman, and Betty Harris was appointed to formulate more definite plans.

A rush party to be held Feb. 28 in the "Y" was also planned at the meeting. It was decided to have this party in the form of a treasure hunt.

science instructor.

The plans include more than 38,000 square feet of lawn, planted to the foot of trees in the south plots. This plan is being carried out in the hope of decentralizing student centers, according to Mr. Bruff. "For the convenience of the students themselves, we are planning places for groups to gather where they will not be molested by other groups," he explained.

To Install Sprinkler System

After the ground has been thoroughly plowed ,several weeks will be allowed to put in a sprinkler system in the southern plots. However, work around the building and the lounges will progress steadily from this week.

Final Returns On Poll Are Disclosed

American university undergraduates voted a scant majority against the United States entering the League of Nations in The Literary Digest College Peace Poll, according to the final returns, it was disclosed.

Ballots were returned by 112,607 students in 118 leading American colleges and universities. Of these, 49.47 per cent favored the United States' entry into the League of Nations, while 50.53 per cent voted against it.

Queried as to whether the United States could stay out of another great war the student vote was more than 2 to 1 in the affirmative.

Asked "if the borders of the United States were invaded would you bear arms in defense of your country" 83.54 per cent of the students voted that they would, while 16.46 per cent voted that they would not.

The undergraduates balloted nearly 5 to 1 for universal conscription of all resources of capital and labor to control profits in time of war.

By an overwhelming vote of more than 9 to 1 the students showed their advocacy of Government control of armament and munitions industries.

Grades In Dean's Office

Students who have not yet obtained their grades for the first semester may get them in Dean McKee Fisk's office instead of the Associated Student office, according to an announcement made today.
